Foreword

One's sense of touch has an important function and is a vital part of each person's individual development. At Elk Grove Senior High School, every person is encouraged to reach out for new ideas, touch upon new experiences and feel that he is a part of the school.

Holding the ball for the first kickoff of football season, making flowers for a homecoming float, writing a term paper, filling out an absence slip, writing an assignment on the board---the hands of students, faculty, and administrators work together to gain their separate goals.

It is the purpose of Elk '68 to capture the student, teacher, and administrator creatively and efficiently putting hands to use.

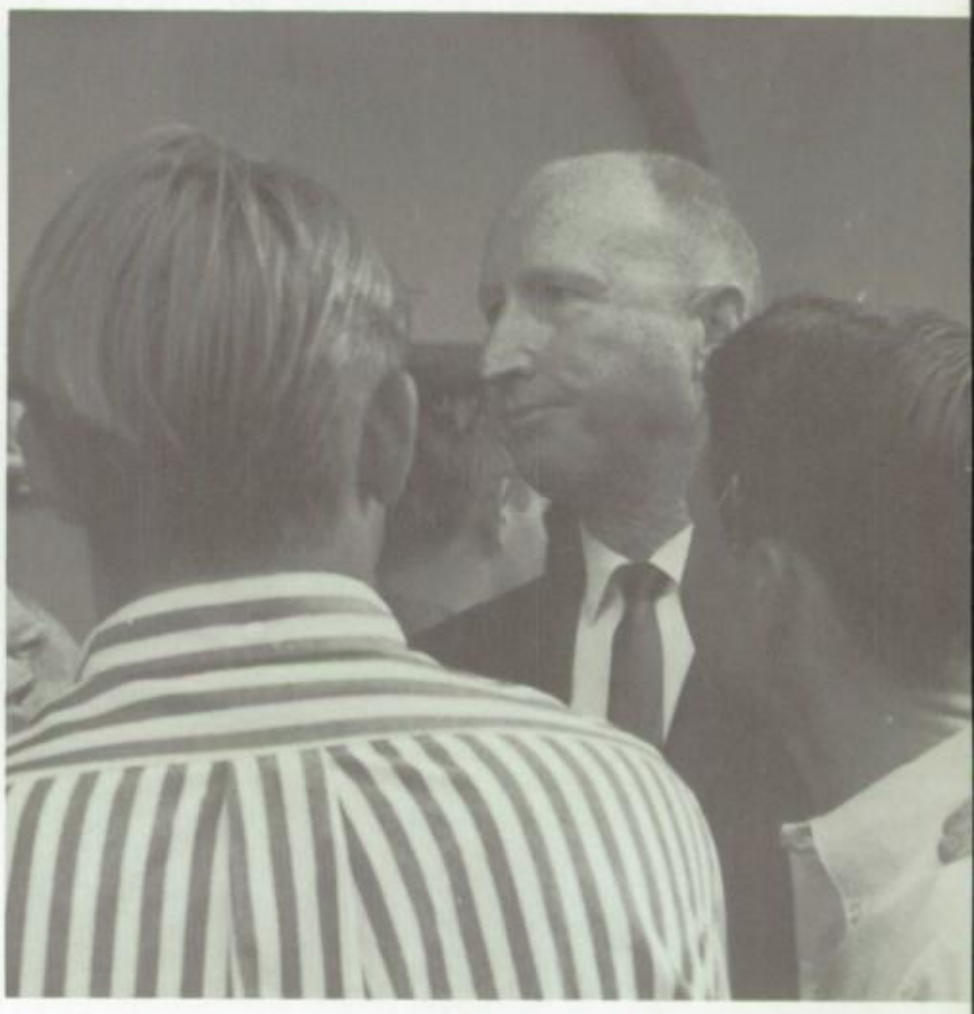
DEDICATION

The staff of Elk '68 dedicates this yearbook to Mr. David Morse who has given his time, presence, and ideas to encourage creative student enterprise. His program of total involvement has been incorporated into school activities so that a greater part of the student body will be aware of their responsibilities to themselves and others. Our experimental classes are also the result of his concern that this high school will always have the best education available. We recognize his helpfulness and cooperation in working with Student Council, Elk Conference and as a counselor and his dedication to the students of Elk Grove High School.

Thank you, Mr. Morse.



IN MEMORIAM

In heaven, if never here, the hopes we cherish, --
The flowers of human lives we count as lost,
Will live again. Such beauty cannot perish,
And heaven has no frost.

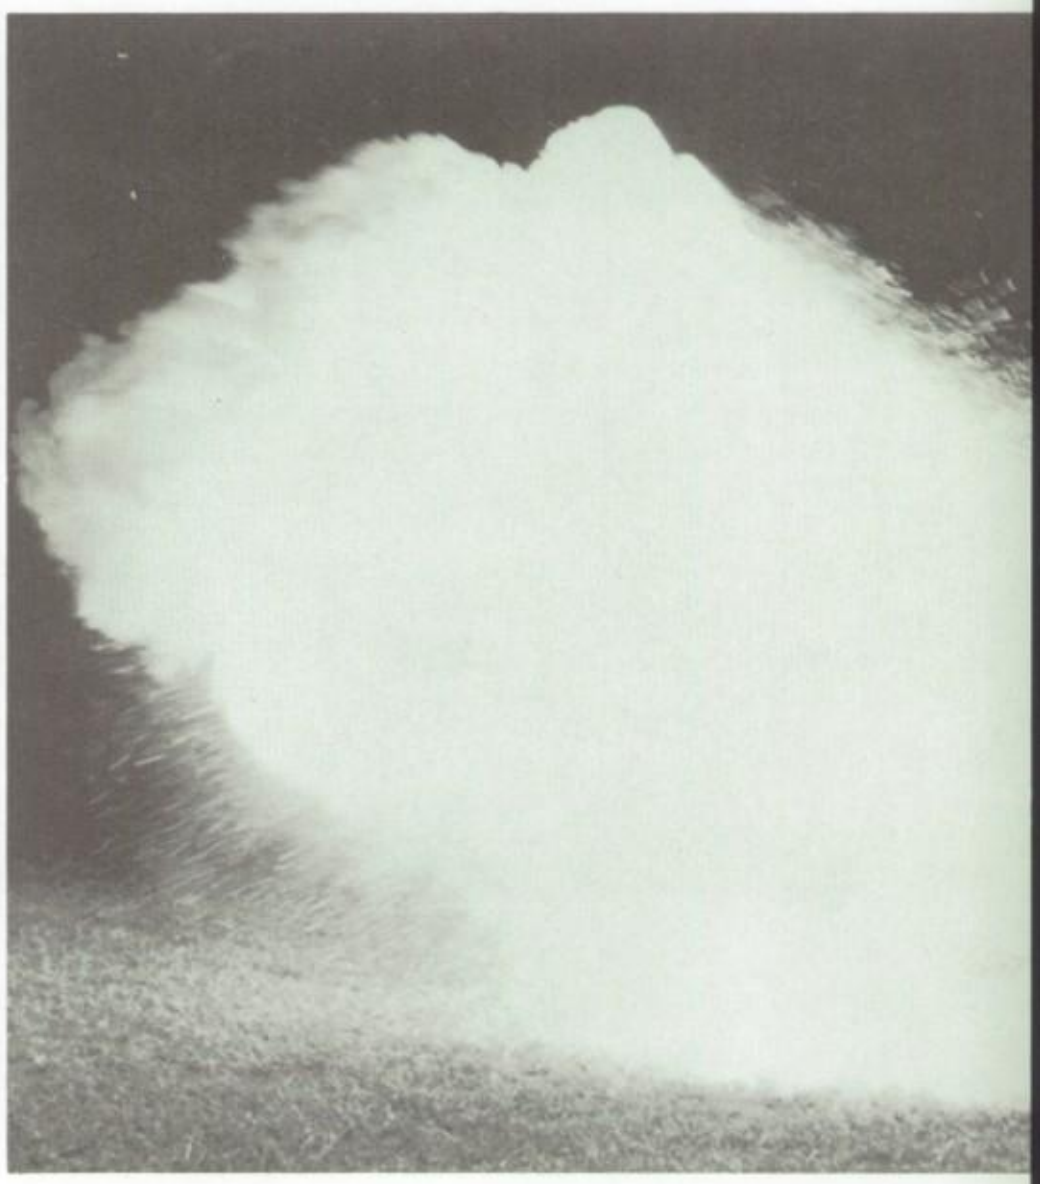
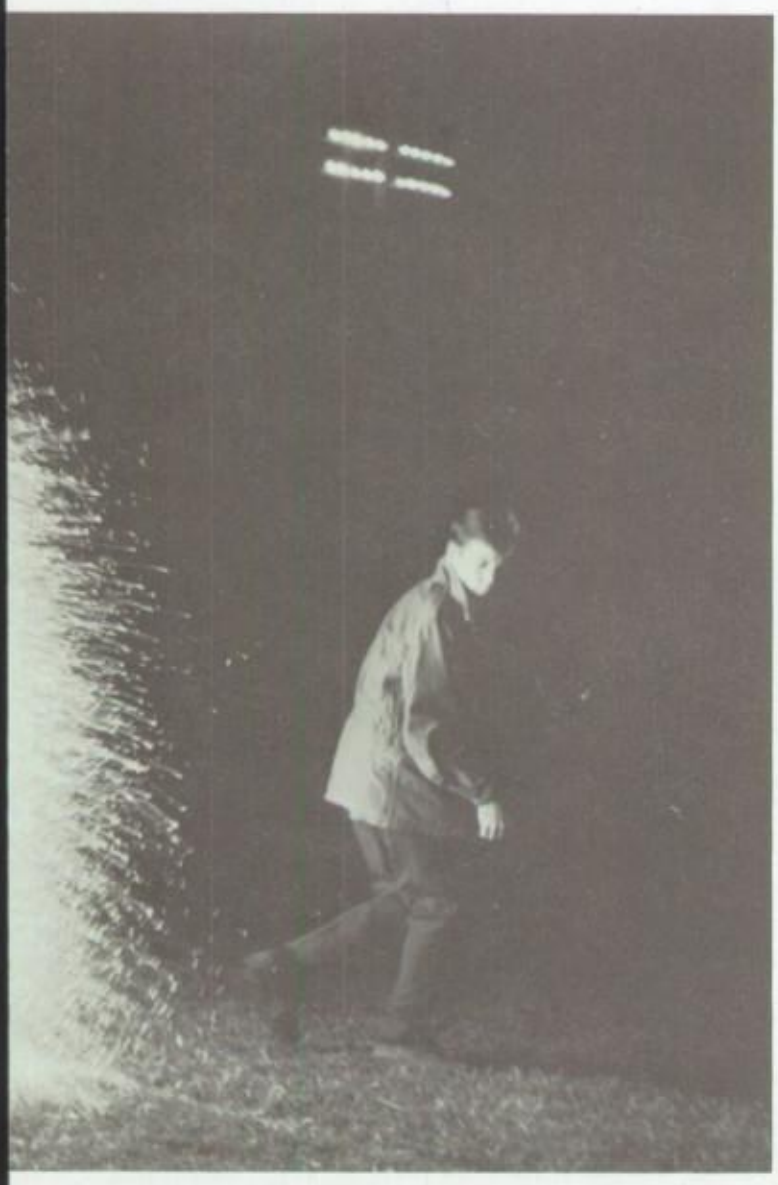
FOOTBALL



GAME NIGHTS



The determination of the teams, the participation of the community members and teachers, the excitement of the crowd, the cheerleaders leading yells, and the great halftime shows all remind us of our football games this year.

AFTER GAME DANCES

An important aspect of high school life is the after game dance. In the past, dance interest and participation has not been very great and Student Council recommended a "fewer but better dances" program to try to help this situation. This year the quality of the dances has improved but there has not been a need to cut down on the quantity since dance participation has never been greater.

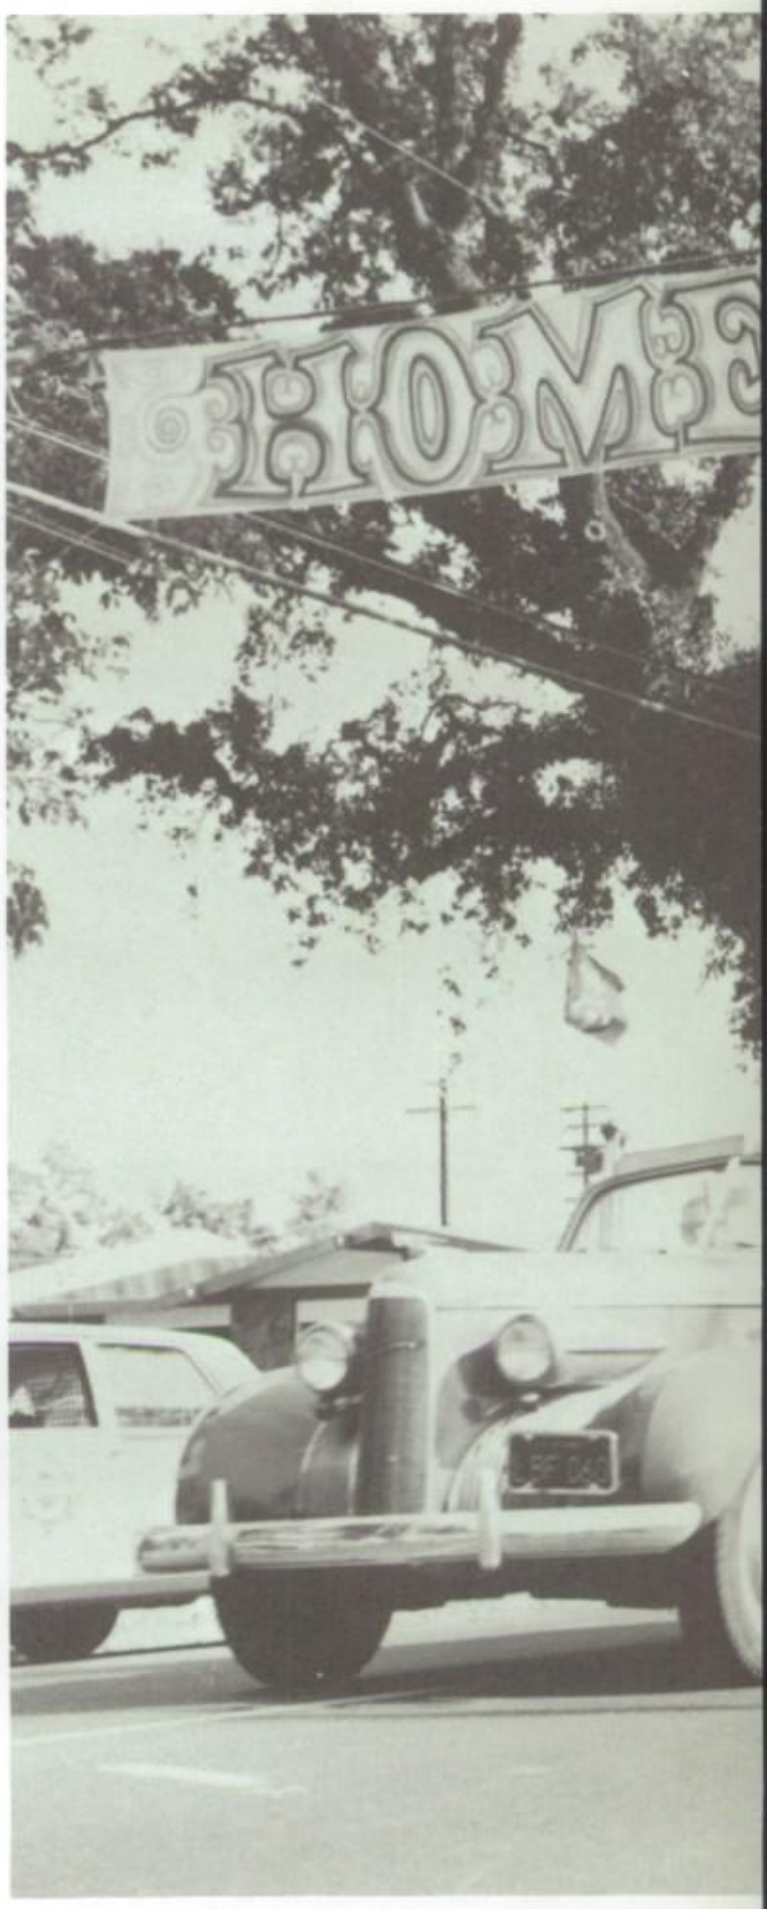
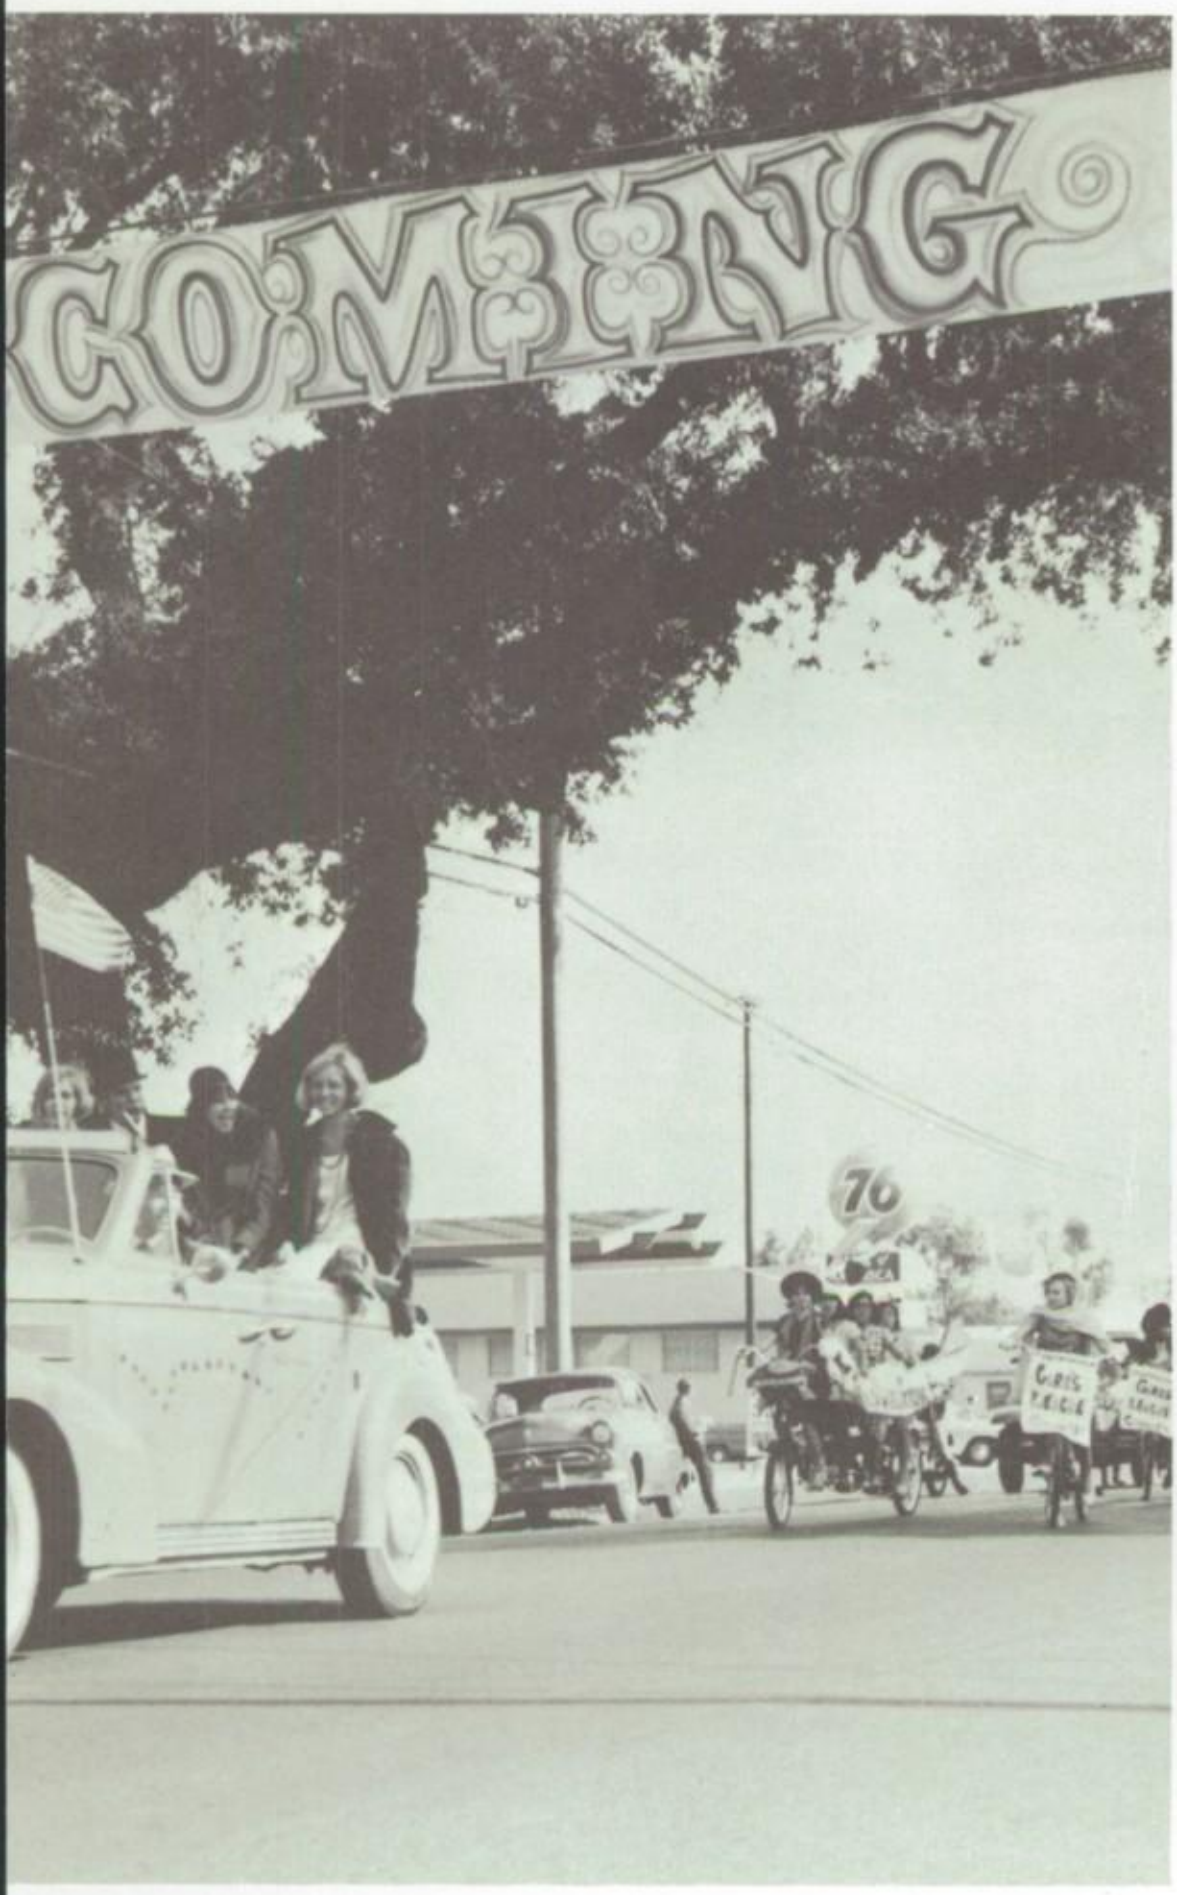
Preparation



Members of the 1967 Homecoming Committee were: Linda Daley, Evelyn Englebrecht, Maryann Fry, Tom Givens, Barbara Heinle, Debbie Henson, Janet Holm, Marti Johnson, Nicola Maita, Barbara Morse, Dennis Oliver, Gareth Tobler, Joy Umeda, and Eric Weatherwax. Chief advisor was Mr. Morse.



PARADE

On the night of October twenty-sixth Lori Johnston was crowned Homecoming queen for 1967 and another year of homecoming festivities began. The next morning at 10:30 A.M. the Elk Grove Sr. High School Homecoming Parade traveled through the main streets of Elk Grove under the careful observation of the famous Boys' League Council who always make it their duty to keep law and order. Judges for the event included community members Mr. John Colton, Mrs. Jane Morse, Mrs. Helen Mahon, Mrs. Laura Trott and Mr. Rowland Wessels.

CLASS FLOATS

SAY IT WITH

After three rushing weeks of preparation the class floats were readied for official competition in the Homecoming Parade. All class floats were extremely good but the "mighty class of '68" again came through to win first place for two years in a row with their "Good Ship Lollipop" (which incidently almost burned down when the smoke stack was lit). After three years of building boats any one of this years seniors should be qualified to work in a shipyard.

The Junior class ran a close second with "The Lass With the Delicate Aire" which winked its eye and swung its tail.

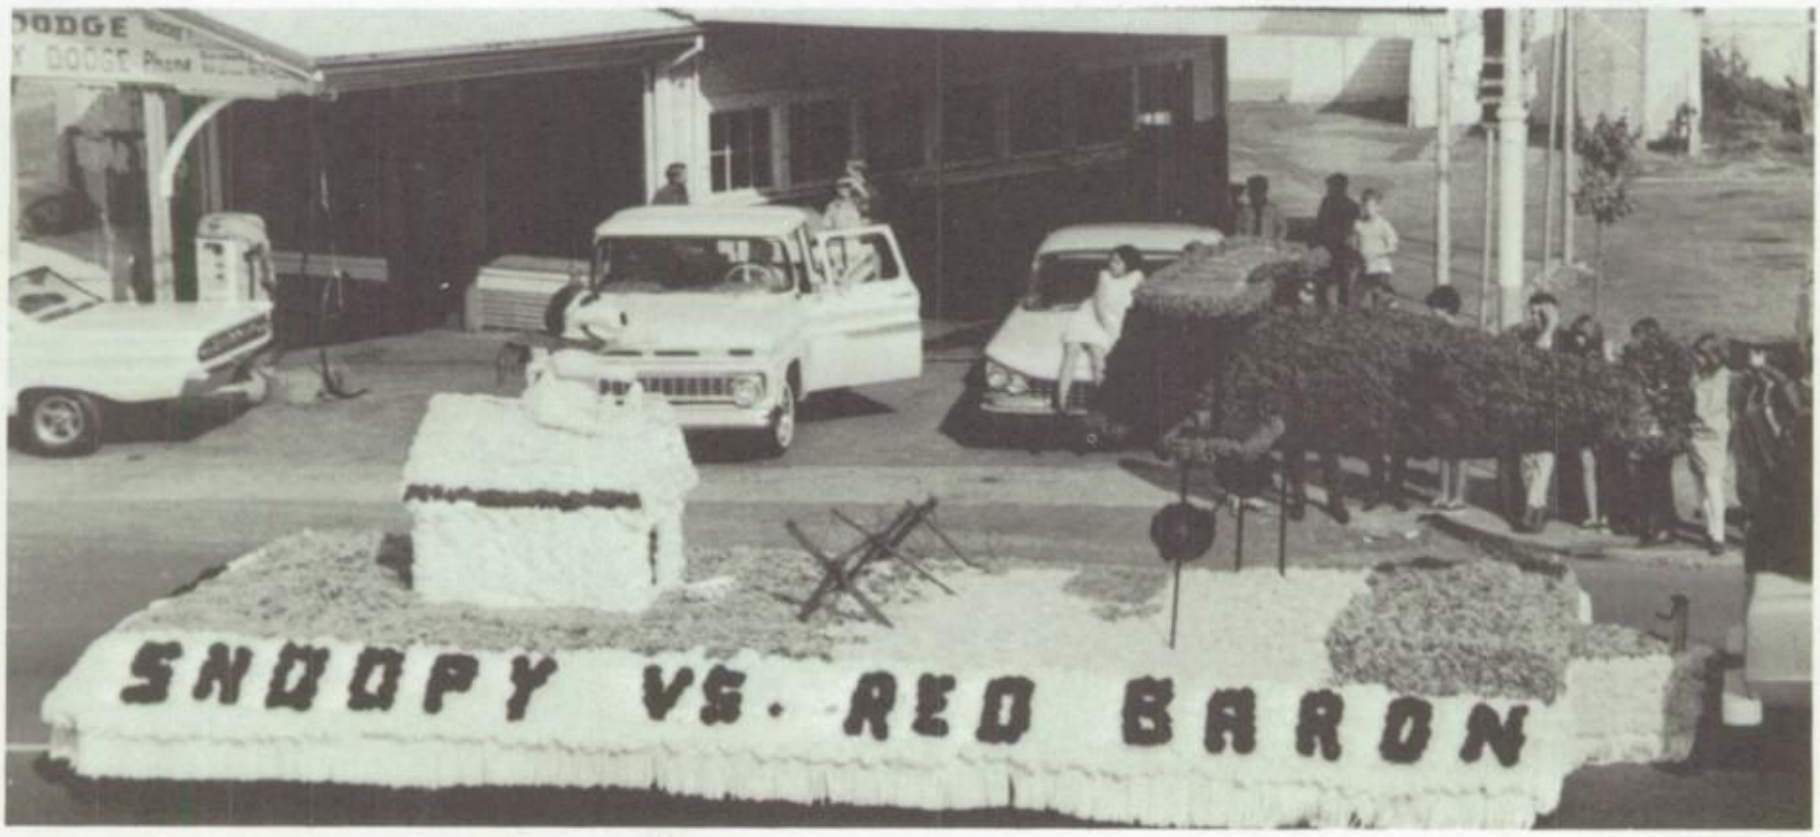
The Sophomore class took third place with their "Snoopy vs. the Red Baron" one of the best sophomore floats Elk Grove High has seen in a long time.

1st Place: SENIORS

A SONG

2nd Place: JUNIORS

3rd Place: SOPHOMORES



As usual the Homecoming game night drew a huge crowd of community members, parents, teachers, alumni, and students to witness the annual celebration. The Junior Varsity started the evening off by defeating Grant's Little Pacers, and although Elk Grove Varsity lost to Grant, it was one of the most exciting games of the season.

At halftime the band and drill team performed while the queen, princesses, and floats paraded around the field. And for the first time in Homecoming history, fireworks were shot off during halftime.

After the game alumni were invited to have refreshments in the cafeteria.

HOMECOMING

GAME NIGHT

HOMECOMING

The final event of Homecoming is the Homecoming Dance. Traditionally Block EG presents the annual dance. Milton Dick's Band provided the music and decorative silver musical notes carried out the Homecoming theme "Say It With a Song." Block EG presented the queen and princesses silver souvenir bracelets and the 1966 Homecoming queen, Judy Barmby, presented red roses to Queen Lori Johnston.

HI-JINX

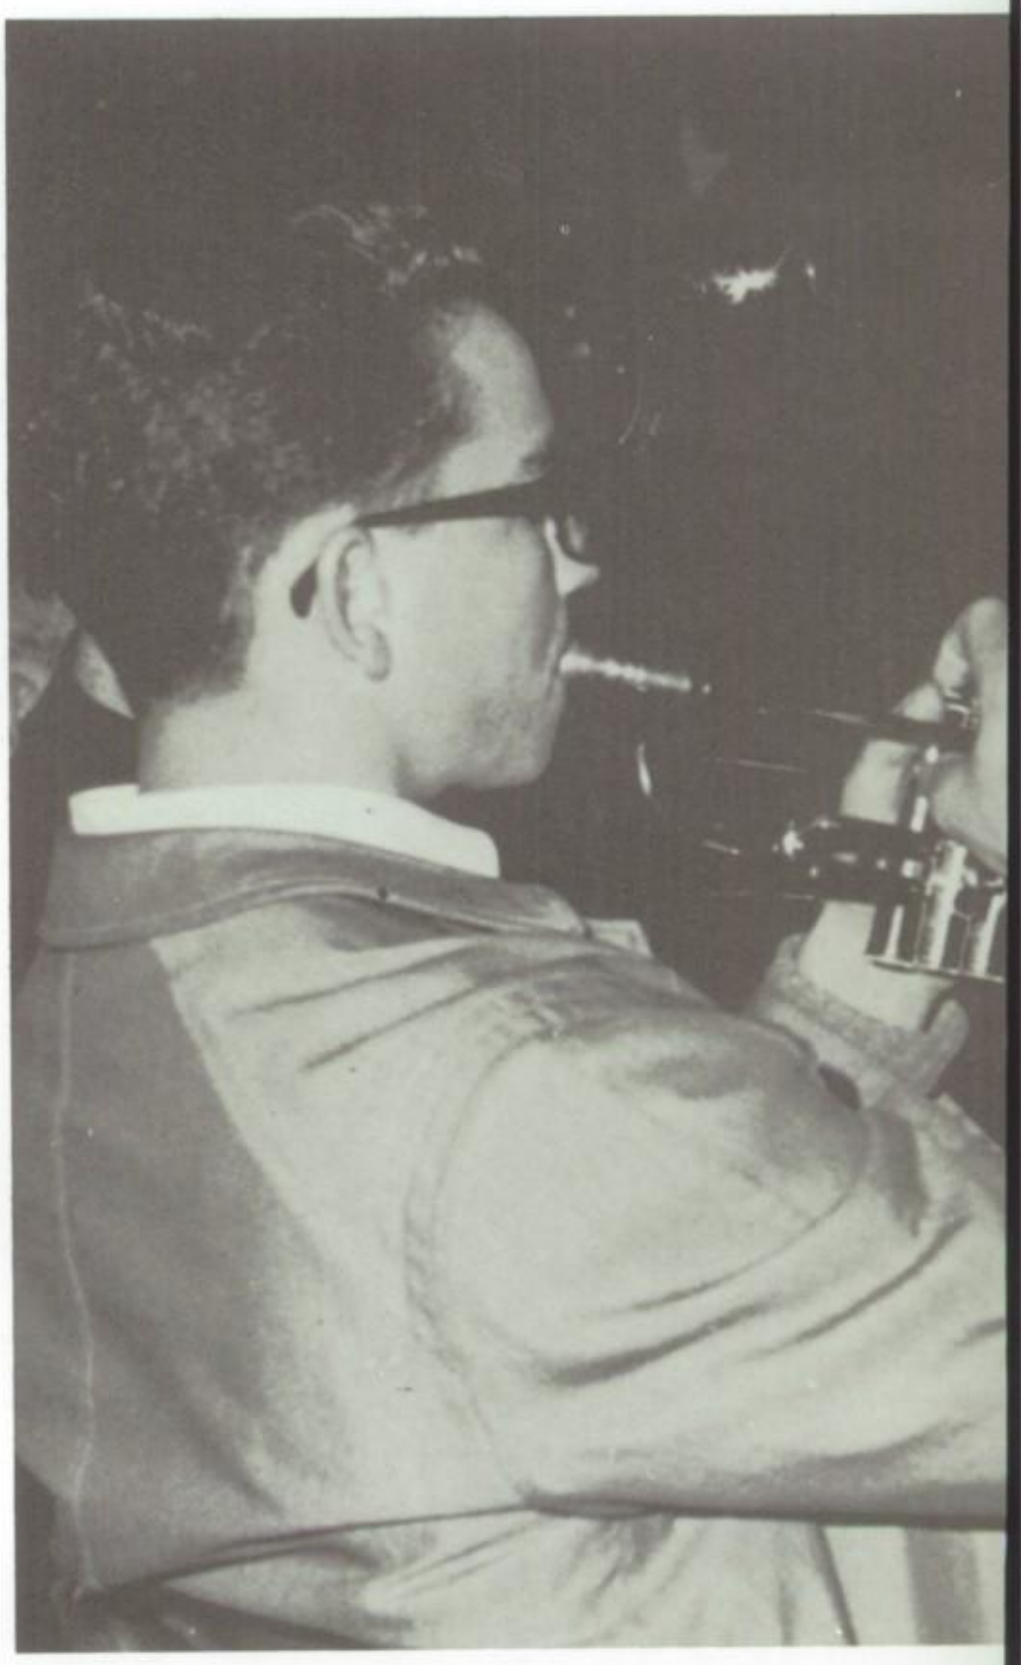
It was a horribly gloomy night so naturally once again it was time for Girls' League Hi-Jinx (that marvelous once a year affair when the girls can be ugly and have some fun). Girls' League Council was there wearing jackets borrowed from Boys' League to keep the "wildies" in line. Some of this years costume winners were individual, Kathy Triplett; couple, Carol Burnette Fleming and Phyllis Diller Ianni; and group, Denise Sansone, Sandy Smith, and Connie Souza. Sue Pinkham won the "best physique" award, and special guests included the Teddy Bear Kids, Ho Chi Umeda, Sergeant Betschart, and Colonel Berg who all had a "fly-in" for the event.

GIRLS'LEAGUE CHRISTMAS PROGRAM

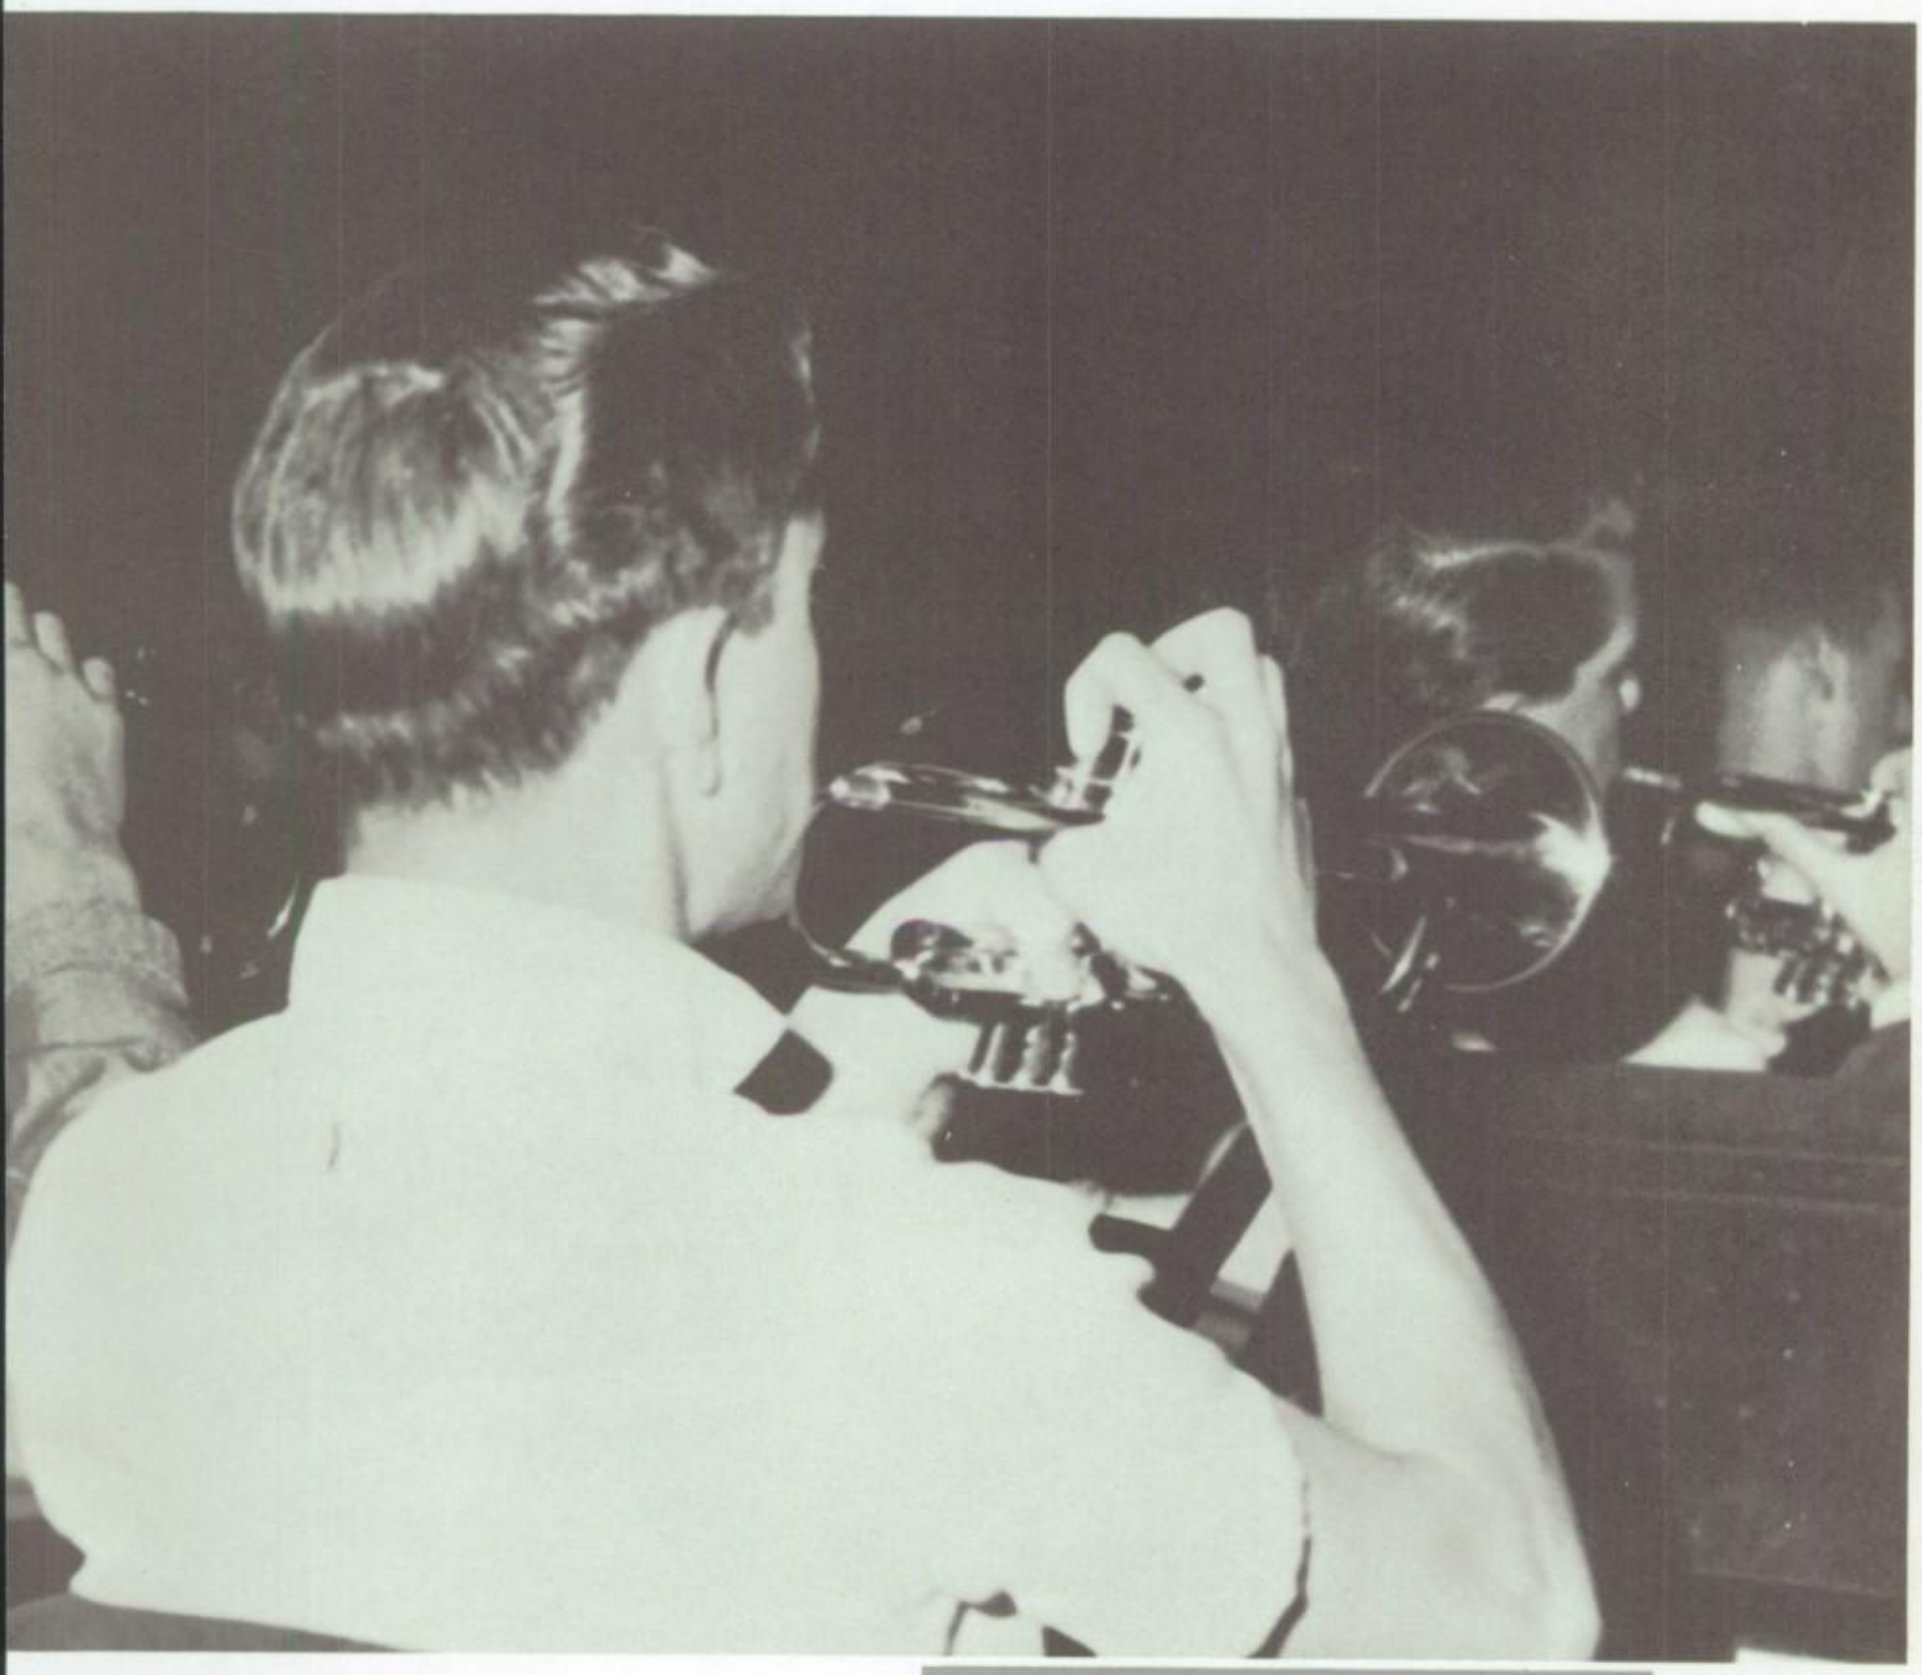
CANDYCANE CAVALCADE

Before needles dried up and fell off Christmas trees, GLC again presented the Girls' Christmas Program. While the boys were having a "good time" watching classic movies, the girls were herded into the gym and "forced" to watch each others P.E. classes Christmas skits. Santa was saved and reincarnated, and everything went pretty well except for a couple of turtle doves who almost got out of hand helping Fourth Period win first prize. Girls' League Council's Christmas present to the girls (which busted the GLC treasury) was eight-hundred candy canes.

Dryn King painted the Santa Clause to the left which was used for the Student Council Dance and hung on the wall in the gym throughout the week before Christmas vacation.



SCHOOL CHRIST



MAS PROGRAM

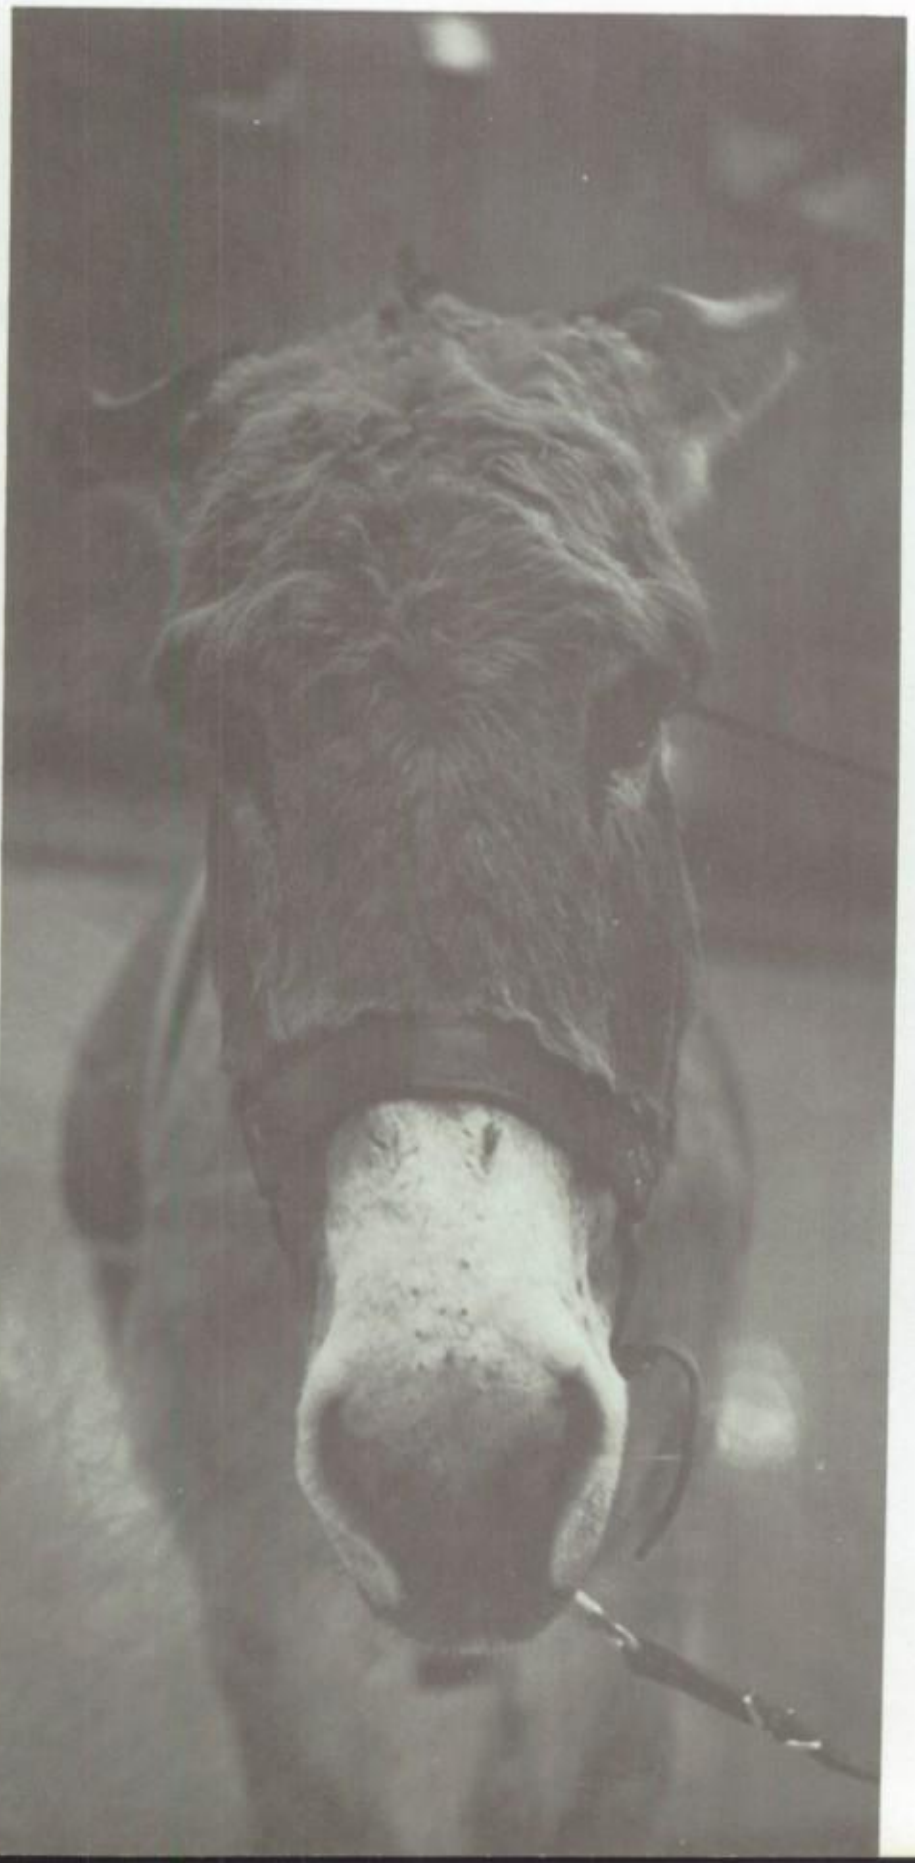
The music department presented this year's Christmas program, "A T.V. Christmas," using the science department's closed circuit T.V.

Participating in the program were Folk Club, Stage Band, baton twirler Linda Jonason, Varsity Band, and A Cappella Choir.

SOPHOMORE VS. JUNIOR GIRLS FOOTBALL GAME

Something new to the list of activities this year was the girls' football game. While the boys took over the yell leading, the Junior and Sophomore girls fought it out on the field. The Sophomores won the first round and both teams tied the second.

DONKEY BASKETBALL



Again this year Student Council sponsored the Donkey Basketball game. The Juniors beat the Sophomores during one quarter and the Seniors later whipped the Juniors to be the Champs of the night. The community Lions and Rotary played between classes.

Cross country is a sport which takes much dedication and endurance. To run a three mile course for varsity, (two for J.V.) over varied conditions takes a lot of intestinal fortitude. The team with the lowest score wins a meet. The scoring is based on one point for the first man, two for the second, and so on.

always good.

SA-AD

Sa-ad Somsu from Thailand came to Elk Grove this year as our American Field Service foreign exchange student.

Sa-ad's American family include Mr. and Mrs. Jack Huff, Bill, Ann, and Gary.

Dear Friends,

I was so glad to come to Elk Grove this year to be a part of this school. It has been a wonderful experience. I was so glad to get to know you, by having classes with you, and by going to the games, the dances, and the many parties.

The Huff family has been very nice to me, and I enjoyed staying with them as a member of the family.

I have enjoyed meeting Elk Grove people, sharing dinner with you, and speaking to the many clubs.

Well! I have to go back to my country very soon. I know how sorry I'm going to be when I have to leave Elk Grove. I will miss you very much.

I want to thank all of you for your wonderful hospitality. Good bye. I hope I will see you again.

With love,

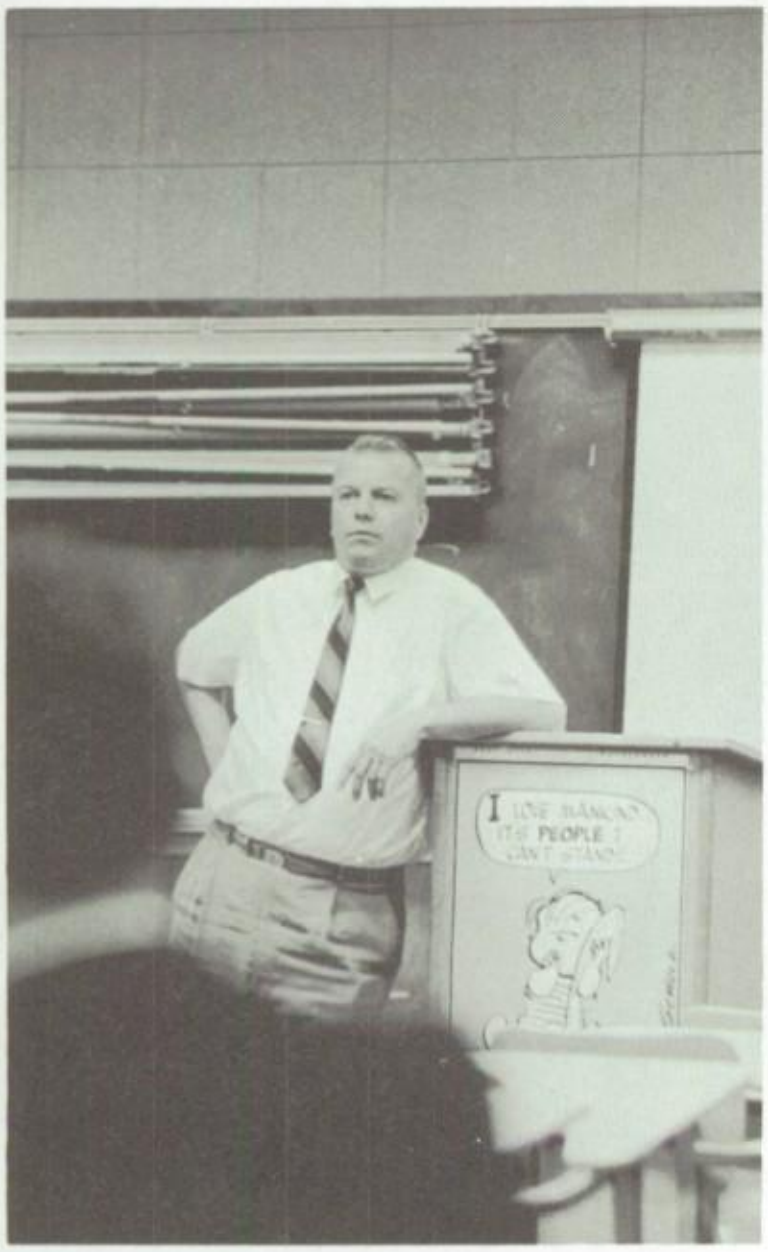
PRINCIPAL'S MESSAGE

The 1968 issue of the Elk marks the close of the first school year on this new and now completed campus. I have been surprised and pleased with the number of visitors who have come to view our buildings and especially the program we have developed. It is highly complimentary to the administration, staff, student body, and citizens who have pooled their thinking and energies to bring this outstanding school into being.

I applaud another fine effort by Mr. Raymond Gage and the Elk Staff exemplified in this yearbook.

Donald R Morrison

Principal

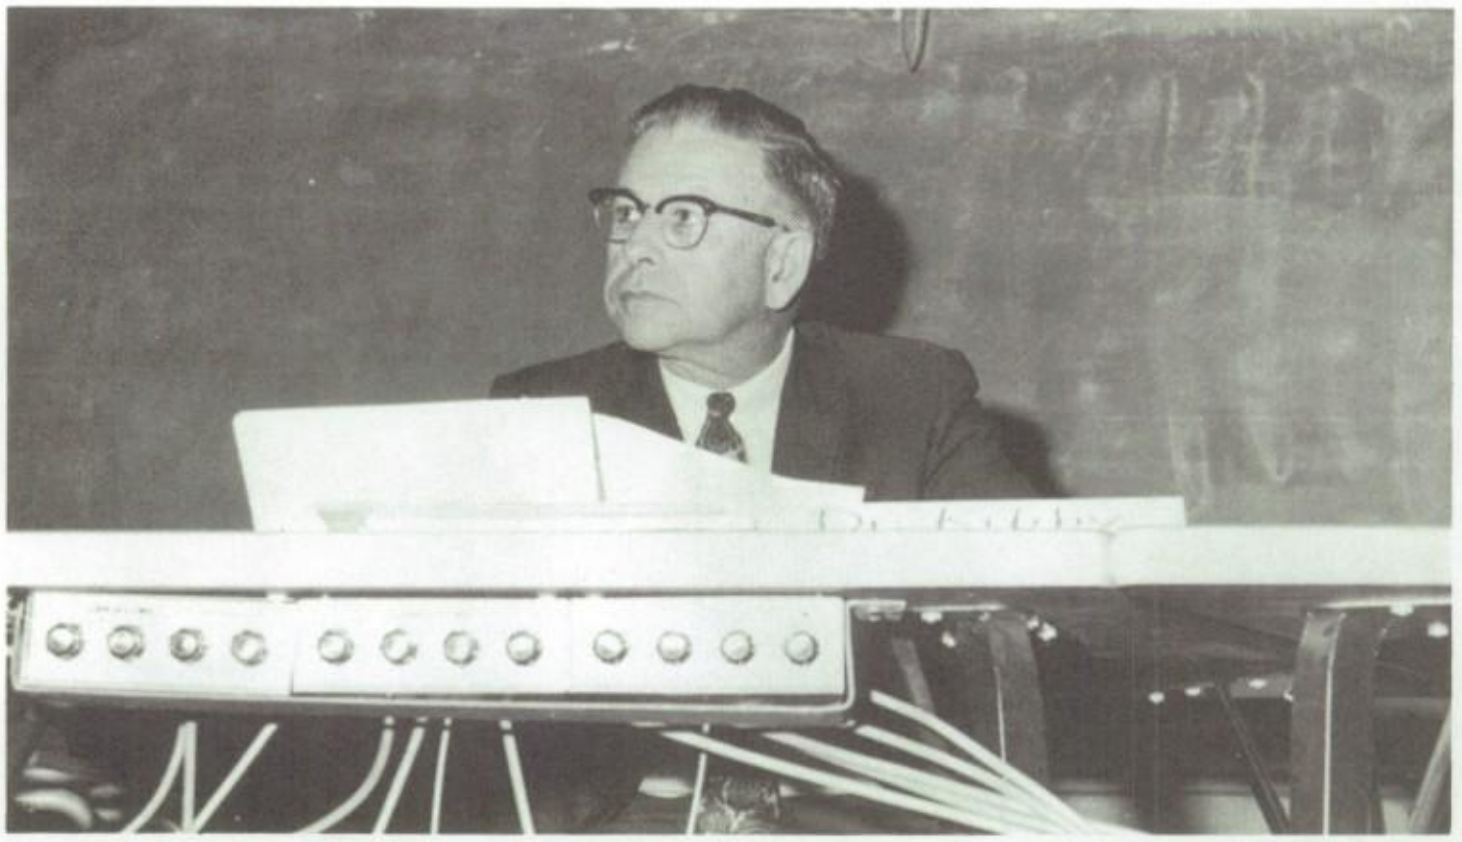


Mr. David Montague

Mr. David Montague's major areas of responsibility as Vice-principal of Elk Grove Senior High School are the development of the curriculum, the control of the budget, the supervision and care of the buildings and equipment, the evaluation of teachers, and developing the master schedule. He is now in his fourth year at Elk Grove as Vice-principal.

Mr. Mel Baker

Mr. Mel Baker, Vice-principal, works under the direction of the principal and is directly responsible for all matters relating to attendance and discipline. He supervises the Guidance and Counseling Program, the Work Experience Program, and the Testing Program. He spends much of his time working with students, parents, and community agencies so that students can be helped at all levels of student activity. This is his first year at Elk Grove Senior High School.



Dr. George M. Kibby - District Superintendent

DISTRICT SUPERINTENDENTS

Mr. Robert L. Michell - Assistant Superintendent In Charge of Business.

Mr. Wellesley C. Goodwin - Assistant Superintendent In Charge of Instruction.

COUNSELORS

The counselors have done an exceptional job this year in aiding students with their educational, personal, and vocational problems. But the scope of their job does not end there. They also strive for an improved curriculum by cooperating with the administration and faculty, review graduation requirements and program changes, act as advisors for classes and activities, and coordinate student activities.

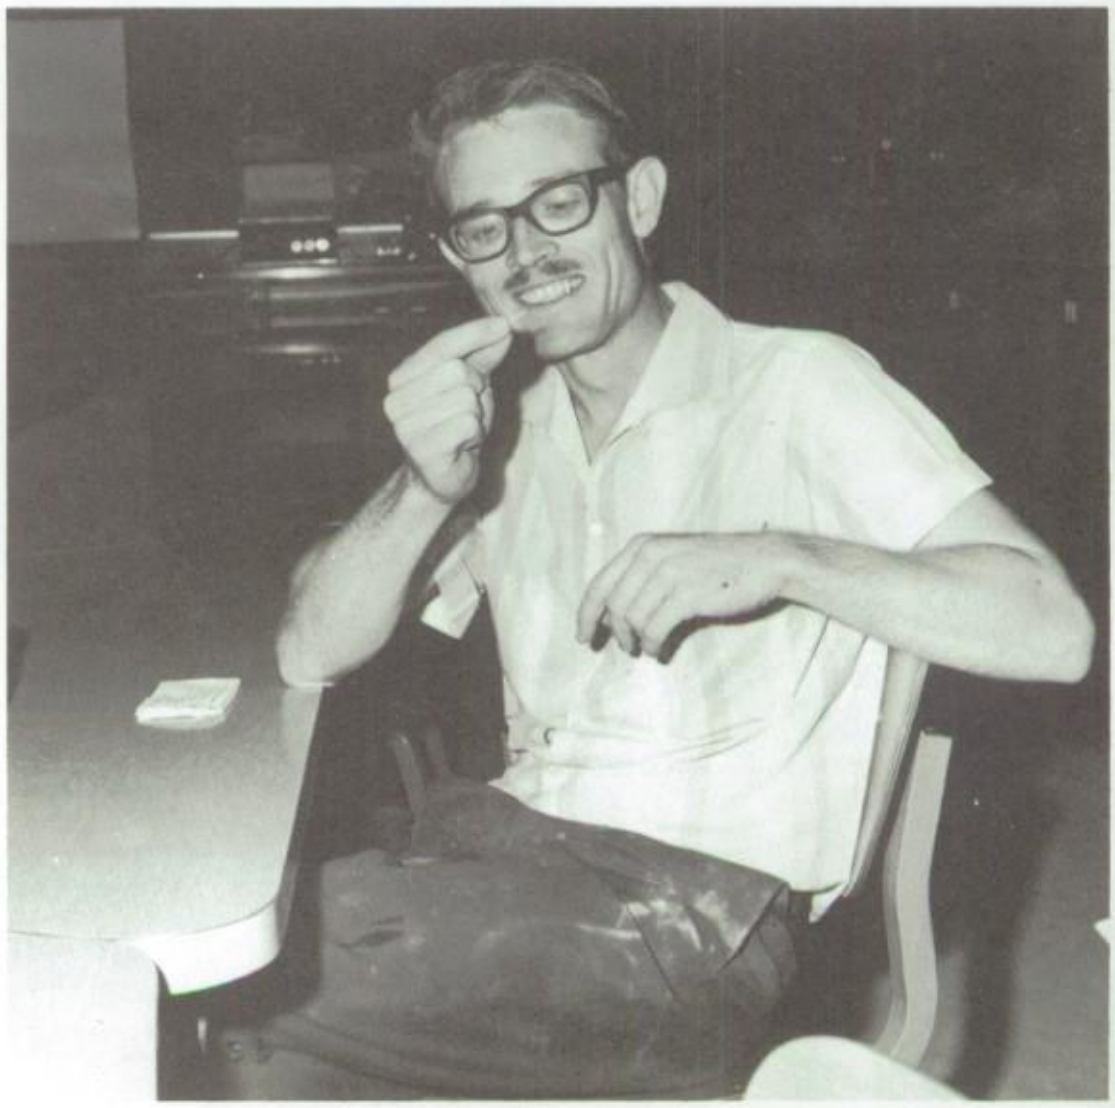
PICASSO WHO?



Art consists of that instruction which contributes to the visual art and aesthetic needs of the students. The aim of the instruction is to increase the individual's aesthetic appreciation and enjoyment. The development of creativity is emphasized.

Ceramics and Painting are two new courses offered this year. These have been added so the student may specialize in that area he or she is most interested.

Two new teachers have been added to the department. Mr. William Penna and Mrs. Sylvia Younger are now teaching classes in beginning art.

The courses offered are Typewriting, Shorthand and Transcription, Bookkeeping, Business Law, General Business, Business English, Notehand, Business Machines and Recordkeeping. Introductory material of data processing is incorporated in some of the classes.

MOO U.

The objective of the agriculture program is to train prospective farmers and to train students for employment in the many fields related to farming which require competence in agriculture. It is open to any interested students. The program consists of Agriculture Science 1, 2, and 3 and Agriculture Shop 1 and 3 which are all taught by Mr. Michael Calicura.

ENGLISH ISN'T EVERYTHING

In the Foreign Language Department German, Spanish, and French are currently being taught at the high school. Mr. Warren Thornock is teaching all of the German classes plus one class of Spanish while Mr. Gino Lazzarotto, who recently returned from Europe after a two-year sabbatical, teaches the rest of the Spanish classes, and Mr. Herbert Dunton teaches all of the French classes.

With the completion of the west wing of the high school has been the addition of language rooms which has brought about a more effective language program.

DO-RE-MI

The music department, which includes Varsity Band, A Cappella Choir, Stage Band, and vocal and instrumental workshops, has an active and varied schedule. The band is in constant competition with other bands throughout California.
A Cappella Choir presents programs at special school functions. Stage band and the workshops provide an opportunity to improve musical ability.

Science All Stars

Elk Grove High School has one of the best equipped science departments in the nation. Along with the extensive biology, physiology, and chemistry programs there are now being offered courses unusual to other schools such as aero space, complete with two hours flight experience, a new electronics program, advanced science, and pre-flight. There is now a more lab-oriented physics course with the addition of new equipment.
